

**MANIPAL UNIVERSITY
JAIPUR**

(University under Section 2(f) of the UGC Act)

Springer

**Fourth International Conference
on
Innovations in Computational Intelligence
and Computer Vision**

ICICV-2024

April 10-11, 2024

Organized by:
School of Computer and Communication
Engineering, Faculty of Engineering,
Manipal University Jaipur, India

Scopus®

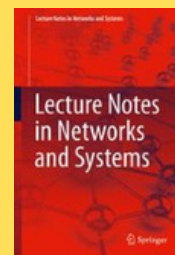

**SPECIAL SESSION:
ENABLING TECHNOLOGIES FOR AIOT**

SUB TOPICS OF INTEREST

- AIoT Applications and Case Studies
- Sensor Networks and Data collection
- Edge and Fog Computing in AIoT
- Machine Learning and Deep Learning for IoT
- AI-driven Analytics and Decision-making
- Security and Privacy in AIoT
- Communication Protocols and Network Architectures
- Federated learning techniques in AIoT
- Explainable AI and Generative AI for IoT

PUBLICATION

Lecture Notes in Networks and Systems
(ISSN: 2367-3370) Indexed by
SCOPUS, DBLP, INSPEC, SCImago, etc.

IMPORTANT DEADLINES

Paper Submission: Jan 31, 2024
Notification of Acceptance: Feb 15, 2024
Camera ready submission: Feb 29, 2024
Registration: Feb 29, 2024

PAPER SUBMISSION

<https://cmt3.research.microsoft.com/ICICV2024>

Select **Special Session-2: Enabling Technologies for AIoT**
during paper submission to CMT

SPECIAL SESSION ORGANIZER

Dr Gaurav Singal, Dr Vipin Pal, Dr Abhinav Tomar
Department of Computer Science and Engineering,
Netaji Subhas University of Technology, Delhi, India
Email: gaurav.singal@nsut.ac.in
Phone: 9680054031
