

**MANIPAL UNIVERSITY
JAIPUR**

(University under Section 2(f) of the UGC Act)

Fourth International Conference
on
Innovations in Computational Intelligence
and Computer Vision

ICICV-2024

April 10-11, 2024

Organized by:
School of Computer and Communication
Engineering, Faculty of Engineering,
Manipal University Jaipur, India

Scopus[®]

**SPECIAL SESSION:
INTELLIGENT SOLUTIONS FOR INDUSTRY
AUTOMATION**

SUB TOPICS OF INTEREST(But not limited to:)

- Medical Daignosis
- Imaging Biomarker
- Computer Vision In Surveillance
- Cyber Security in Industrial Network
- Collaborative Systems
- Digital twins industry
- Precision Agricultural Technology
- IoT in smart cultivation
- Sustainable agriculture applications
- Computer vision in E-commerce industry
- High Throughput screening technology

IMPORTANT DEADLINES

Paper Submission: Jan 31, 2024
Notification of Acceptance: Feb 15, 2024
Camera ready submission: Feb 29, 2024
Registration: Feb 29, 2024

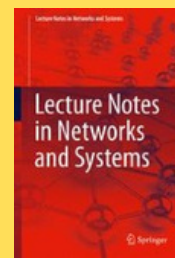

REGISTRATION FEE

Category	Indian (INR)	International (USD)
Students/ Researchers	10000	\$200
Academicians	12000	\$250
Industry participants	14000	\$300
Attendee only	2500	\$100

Registration fee is inclusive of 18% GST

PUBLICATION

Lecture Notes in Networks and Systems
(ISSN: 2367-3370) Indexed by
SCOPUS, DBLP, INSPEC, SCImago, etc.

PAPER SUBMISSION

<https://cmt3.research.microsoft.com/ICICV2024>

Select **Special Session-5: Intelligent Solutions for Industry Automation** during paper submission to CMT

SPECIAL SESSION ORGANIZERS

Dr Prakash Choudhary
Department of Computer Science & Engineering
Central University of Rajasthan, India
