One-day Workshop

on

Effective Strategies of Research Article Writing and Publishing April 09, 2024

<https://icicv.co.in/workshop/>

School of Computing and Intelligent Systems in collaboration with **MUJ-Teacher Empowerment Center**, Manipal University Jaipur, India is going to organize a one-day workshop on "**Effective Strategies of Research Article Writing and Publishing**" under the aegis of *Fourth International Conference on Innovations in Computational Intelligence and Computer Vision (ICICV-2024)*. The aim of the workshop is to help participants to structure the scientific content in a proper manner and also discuss new tools of scientific publishing. Participants will be benefited from our eminent experts who have contributed greatly to the research society by publishing plenty of Research Articles/ Books etc.

Who should attend: Students, Research Scholars, Faculty Members, Industry participants, etc.

Purpose/ Benefits:

- To learn the basics of research paper writing (How to prepare a manuscript, How to select a Journal for your work, Submission ethics, Reference management, etc.)
- To enhance the paper writing skills
- To learn about various tools (LaTeX, Mendeley, Zotero, etc.) that are effective in research paper writing
- Do's and Don't of research paper writing, etc.
